

## **Leaders from Hangzhou Xiaoshan District Committee Visited the H.K. Headerquarter of Anxin-China for Investigation and Study**

(HongKong-March 28th, 2013) A group of Leaders from Hangzhou Xiaoshan District Committee, including the standard committee member Chao Qiu, went to visit the H.K. Headerquarter of Anxin-China for further investigation and study with the company of some related staff from our strategic partner, Infinity Group.

In the beginning, the investment manager from Infinity Group made a brief introduction to the past successful cooperation cases and strategic partner relationship between Infinity and Anxin-China. Then, Mr. He Li, the SVP of Anxin-China Holdings Limited, specifically introduced our company concerning about the human resources, business models, operation & management situation as well as its future development strategies.

Accordingly, Chao Qiu as the standard committee member of Hangzhou Xiaoshan District Committee accompanied Jingming Tu as the vice-director of Xiaoshan Economic

and Technology Development Zone Management Committee, to analyse the overall conditions of Xiaoshan District in Hangzhou City, moreover, both of them spoke highly of our company' s business and beamed interested in Anxin-China' s products. During the conference period, Mr. He Li had a deep discussion with M. Tao Peng, the vice-president of Zhejiang Insigma Group Co., Ltd, about the development status of Hangzhou "Smart City" . Thus, in the end, Chao Qiu also invited the senior executives of Anxin-China to visit Hangzhou for a further communication and investigation, and hopefully stated that it would be a great chance for two parties to realize the complete cooperation in the public security industry of Hangzhou City.

Simultaneously, other participants in this conference included Bochao Shen as the deputy director of Xiaoshan Economic and Technology Development Zone Land Planning & Construction Bureau, and Pu Zhou as the AVP of Zhejiang Insigma Group Co. , Ltd.
