

ANXIN-CHINA Attended Development and Promotion Conference on Jiangsu Software & Information Service

July 10th, 2012. Jiangsu Province. ANXIN-CHINA attended Development and Promotion Conference on Jiangsu Software & Information Service, which is held by Jiangsu Province government. Herein, the local government leaders at all levels made keynote speeches while speaking highly of the contributions ANXIN-CHINA had achieved to Jiangsu and encouraging the latter one to focus on technology innovation constantly. Accordingly, ANXIN-CHINA replied that they always insisted on the principle that “your safety is our business”, or in other words, the user experience and technological innovation is the object to be promoted in the long run.
