

Qu Futian ,the Mayor of Huai'an City Visited the HK headquarter of ANXIN-CHINA

December, 24th, Qu Futian ,the mayor of Huai'an City, visited the HongKong headquarter of ANXIN-CHINA for investigation and guidance, with the accompanying of Zhao Hongquan,the vice mayor of Huai'an City, as well as other relevant leaders. Herein, Mayor Qu spoke highly of the working atmosphere and environment of the HK headquarter .

Then, those government leaders made a deep conversation with ANXIN-CHINA executives. Liu Zhongkui, the CEO & chairman of ANXIN-CHINA specifically introduced the related projects and plans in Huai'an City. Accordingly, Mayor Qu agreed with that and said that the local government would largely support and help the business development of ANXIN-CHINA with the hope that ANXIN-CHINA would promote the construction of ISD and IVAS systems in the whole Jiangsu province.

Though this visit of Mayor Qu, we can see the business plan which ANXIN-CHINA puts on Huan'an will get a breakthrough development soon, therefore, ANXIN-CHINA will also firmly expand its business from Huai'an City to Jiangsu province with conforming to the Mayor Qu's suggestion.
