

## **Anxin-China Always on the Way to Promise People's Safety**

According to today's news from cnwest.com in Xi'an City, 5 security cases constantly happened within six days, consequently 8 people dead. On May 2<sup>nd</sup>, one well-known mansion called celebrated crystal palace met with leaked gas explosion; on the morning of May 5<sup>th</sup>, the construction of dewatering dwell occasionally made the natural gas pipe broken in the Yantan Road section of the 4<sup>th</sup> metro line, affecting 3 thousand residents' using natural gas; On May 7<sup>th</sup>, the transformation construction of polluted water also made the natural gas pipe broken in Fangzheng segment, making an influence on 3 thousand residents' using natural gas;

On the other side, a traffic accident occurred in Bailong villiage entrance of Huanshan travelling road leading 3 deaths on the afternoon of May 2<sup>nd</sup>; the inner roof of the 3th metro line suddenly collapsed with one injured and 5 dead on May 6<sup>th</sup>.

Thus, we can see clearly from those above cases that the public security and safety production have a firm connection with people' s life and family happiness. Within the rapid urban development, government departments at all levels and other contractors can never escape from the responsibility of promising people' s safety in any circumstance. Herein, as public security solution provider based on the safety production surveillance, Anxin-China always gets adapted to developing the service of a variety of ISD systems, with aiming at becoming an outstanding industrial pioneer in this security service. For instance, Anxin-China' s flagship products, including its own independent and research development ISD system, iVAS system acquired from an Israeli technological corporation as well as other series of splendid security surveillance hardware products, all wholly embody Anxin-China' s sincere contributions to China' s security industry.

At present, our products and business have been completely accepted by more and more government departments and officials at all levels in Jilin, Yunnan, Guizhou, Hunan, Chongqing and et al. We company hope our hard work and celebrated faith could attract more attention, because we are always on the way with tireless efforts to make contributions to the public security.
