

Deng Rong as the Director of Chongqing Security Production Emergency Rescue System Command Center Visited ANXIN-CHINA

June 30th, 2012. Shenzhen City. Deng Rong as the director of Chongqing Security Production Emergency Rescue System Command Center and Wong Chonghua as the division chief of Command center visited ANXIN-CHINA, and received warm reception from Liu Zhongkui as the CEO & chairman of ANXIN-CHINA.

Herein, Mr. Liu introduced ANXIN-CHINA of development history, main products, product advantages, successful cases and practical models. Director Deng spoke highly of those achievements ANXIN-CHINA had made, then stated Chongqing Security Production Emergency Rescue System Command Center would like to bring in ANXIN-CHINA's ISD system to promote Chongqing security construction and management quickly. This visit also means a great advance for ANXIN-CHINA's product & brand promotion in Chongqing.
