

Leaders from Pei County, Jiangsu Province Visited Anxin-China for Investigation and Study

M. Li, the vice-president of Anxin-China, demonstrated ISD system and iVAS system.

(Shenzhen-October 13th, 2013)Li Xiaolei, the head of Pei County, led the investigation

team to visit Anxin-China on this morning, with other personnel including Zhang Changying, the secretary of Jiangsu Economic Development Zone, Wang Dexin, the secretary of Jiangsu Development and Reform Commission, and et al. Accordingly, M. Li He, the vice-president of Anxin-China, hosted the investigation & study conference with Yang Ma the executive director of Anxin-China, Wang Bo the vice-president of Anxin-China, and Yue Hao the assistant president of Anxin-China.

The conference remained light and friendly. At the beginning, Mr. Li He represented Anxin-China to welcome the investigation team sincerely, and then introduced this group' s strategic deployment and operating situation. Herein, Mr. Li Xiaolei thanked the invitation from Anxin-China, and then talked about the Pei County' s history and development situation. He also highlighted that two sides had reached an agreement in the primary stage of business investment & development. After that, Anxin-China' s two star products, ISD system and iVAS system, were respectively introduced by Mr. Li He. It' s noted that two sides opened a further discussion on the future business cooperation.

However, M. Li represented the investigation team to make a conclusion that the economy of Pei County had developed fast in recent years, which was attributed to the

great help and supports from investors. He also invited the leaders from Anxin-China to go to visit Pei County for investigation on business cooperation and investment. Anxin-China replied that this group would appoint main leaders soon to visit Pei County for investigation, in response to the policies from Pei County government, so as to make contributions to the construction of Pei County. 🌀
