

## **Anxin-China ISD Platform Corporate Symposium Successfully Held in Yingcheng, Hubei**

(Yingcheng, Hubei-August 15<sup>th</sup>, 2013) Anxin-China cooperated with Yingcheng ISD command center to hold a high-risk corporation symposium, to speed up the cut-in operation work of security production platform in high-risk enterprise in Yingcheng, promote local safety surveillance capacity, and ensure the healthy safety production condition. Accordingly, more than 60 participants present in the conference, respectively including municipal high-risk enterprise legal persons, general managers, responsible persons of non0-coal mining enterprises and et al. It should be pointed out that Ruan Yan kun, the deputy mayor of Yingcheng City, and Wu Hao, the director of local governmental office, also attended this meeting,

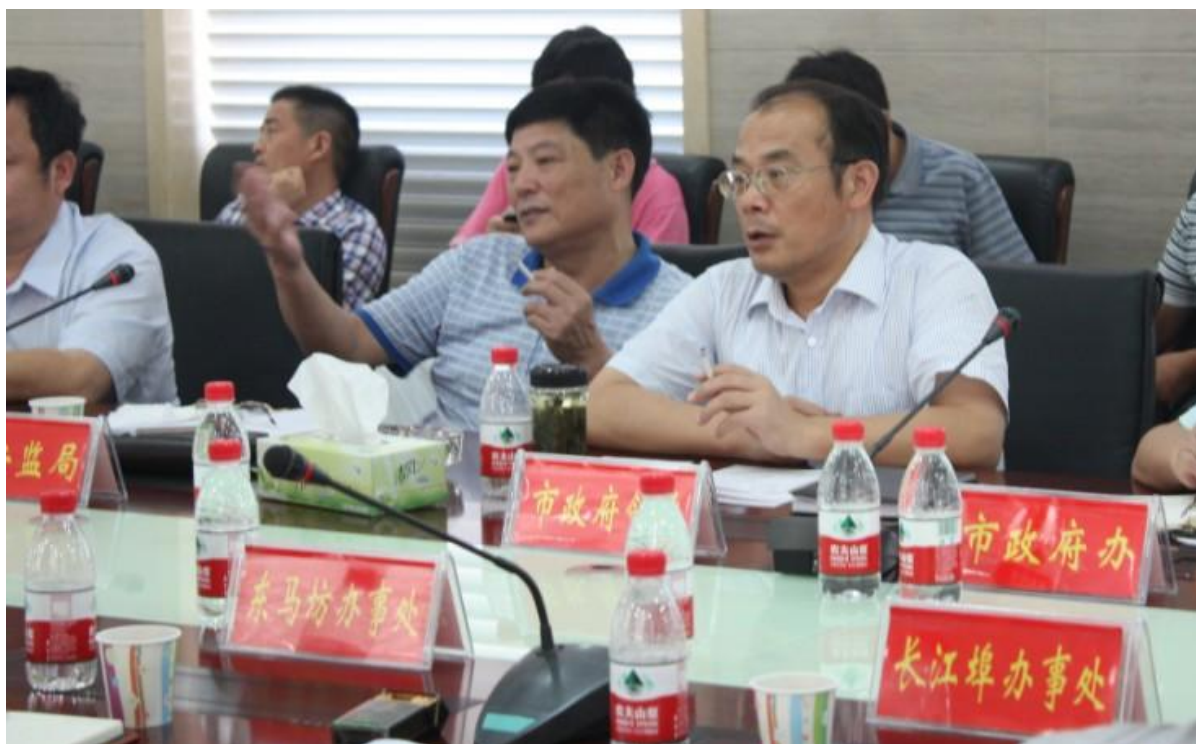

Specifically, Chen Shuhua as the director of Yingcheng Administration of Work Safety host this conference, and Liu Hongxing as the project director of Anxin-China make a detailed introduction about the construction achievements of ISD system in Yingcheng city, such as its big role in safety production, fire control, environmental protection and other fields. Moreover, the participated representatives made statements actively, and spoke highly of the contributions and achievements Anxin-China made to the safety surveillance system of local high-risk enterprises, including the updating service of hardware and software products. In addition, a series of issues about the platform injection, update & reform, service fee and et al, were discussed in a hot atmosphere.

In the end, Ruan Yan kun, the deputy mayor of Yingcheng City, recapped the meeting. Firstly, he represented the municipal government to thank Anxin-China for its great contributions to Yingcheng's leading safety production surveillance and management platform, improving local emergency rescue capacity. At the same time, he highlighted that as the safety production is a long-term project, every participated enterprise should coordinate with the AWS in ISD injection & update work to ensure local residents' life and financial properties safe, thus, the economy of
