

## **ANXIN-CHINA Visited Chongqing For Investigations and Business**

November 22<sup>nd</sup>~23<sup>rd</sup>, 2012. Qijiang District, Chongqing. Liu Zhongkui as the CEO & chairman of ANXIN-CHINA visited Chongqing for investigations and business on the invitation sent by the Chongqing Work Safety Administration and Qijiang District Committee.

During that period, Xiao Jiankang as the general director of the Chongqing Work Safety Administration and Liu Qiang as the director of Qiajing Industrialization Office, attended a meeting with Liu Zhongkui (ANXIN-CHINA) in a friendly atmosphere. Herein, Mr. Liu made a detailed introduction about the ISD and iVAS systems and their practical applications in noisy cities. Accordingly, Director Xiao emphasized the importance of security equipments & systems, and showed the hope that it will be quick to confirm the cooperation among ANXIN-CHINA, Chongqing Work Safety Administration and Qijiang District.
