

## **Leaders from Zhaoqing Economy & Informatization Management Agency and Anxin-China Made a discussion on “Cooperative Smart City Plan”**

(Shenzhen-July, 12<sup>th</sup>, 2013) The investigating group from Zhaoqing Economy & Informatization Management Agency, which consists of 20 members including Director Huangjing, Chief Secretary Huang Shaoming, visited Anxin-China. Accordingly, Wangbo, the vice-chairman of Anxin-China board of directors, and Peng Xuanlai, the chief manager of Marketing Center, sincerely received this team. Thus, these two sides made a significant meeting on the development planning of smart Zhaoqing city.

Specifically, Wangbo introduced the great achievements Anxin-China had attained in smart city area, as well as its most outstanding solution for building intelligent safe cities. Anyway, that’ s to say, it’ s required to make full advantage of multiple urban information resources, including newly-invented intelligent technology, internet-of-things as well as cloud computing and et al, to build a completely intelligent, safe city with digital and networked features, which was supported by the whole intelligent information industry; ultimately, it aimed at solving a series of problems hiding in our real life, for instance, safety, traffic, environmental protection, food safety and other similar issues. Therefore, leaders from both side made a serious conference on how to take effective measures to wipe out those dangerous elements.

Finally, Director Huang stated the urban development plans and strategies of Zhaoqing City, and especially explained the ideas proposed by the local government on developing smart city and promoting the industrial structure. Moreover, He spoke highly of Anxin-China solution for intelligent safe city, which was proved to be practical and effective. Thus, both sides stated they had the similar strong will to execute the development plan and strategy of intelligent safe Zhaoqing City.
