

## **Xiao Jiankang as the Director of Chongqing Administration of Work Safety Visited Ningxiang Security Command Center**

On the afternoon of June 10<sup>th</sup>, 2012. Ningxiang County, Changsha. Xiao Jiankang as the director of Chongqing Administration of Work Safety and other colleagues visited Ningxiang County Security Command Center, which was cooperatively built by both ANXIN-CHINA and Ningxiang County Administration of Work Safety. Herein, Liu Zhongkui as the CEO&chairman of ANXIN-CHINA introduced and demonstrated the operating platform for the government leaders, who spoke highly of ANXIN-CHINA with security products. Director Xiao agreed with the working principle and mechanism of ANXIN-CHINA, and hoped to cooperate with ANXIN-CHINA to build strong security surveillance command center to benefit people's daily life, through imitating the Ningxiang emergency rescue command center. Altogether, ANXIN-CHINA could make more progress with the help and support from different government departments.
