

## **Shenzhen ANXIN-CHINA Digital Development Co. Ltd was Awarded as“Top 100Shenzhen Autonomous-innovated Enterprises”**

August 25<sup>th</sup>, 2012. Shenzhen City. Shenzhen ANXIN-CHINA Digital Development Co. Ltd has been identified as “Top 100 Shenzhen autonomous-innovated enterprises” by Shenzhen Key Enterprise Development & Promotion Commission. This is the first time for that commission to hold such an award ceremony to encourage the enterprises through cooperating with *Shenzhen Special Zone Daily* while nearly 5 thousand corporations register for the selection activity, which also means that ANXIN-CHINA has been making a series of reliable social security software and hardware facilities through its long-term endeavor and technical innovation. Moreover, ANXIN-CHINA always insists on that “you safety is our business”, and backs up their words with real action.
