

Xu Changshui as the Yingcheng Party Secretary Visited ANXIN-CHINA Project Center in Yingcheng

Yingcheng City- January 5th,2013. Xu Changshui as the Yingcheng party secretary, Liu Ganggao as the secretary of Yingcheng politics and law committee, Qiu Xianchun as the director of Yingcheng party committee, and Ruan Yankun as the vice-mayor of Yingcheng City, and Zhang Jianlin as the director of Yingcheng Public Security Bureau visited Yingcheng safety production emergency rescue command center, for acknowledging the specific construction conditions of both investigating and studying platform and gridding urban management.

During the session, Secretary Xu emphasized that the whole urban safety was the premise of continuous development, therefore, government departments at all levels and varieties of enterprises should set up the principle that “safety is always the first” so as to supervise that enterprises’ security production and traffic safety construction went on successfully.

Besides, Liu Hongxing as the project director of ANXIN-CHINA accompanied Secretary Xu to see the specific construction conditions of both investigating and studying platform and gridding urban management. Herein, Director Liu made a brief introduction about the construction plan of the whole ISD system for the leader group. Accordingly, Secretary Liu spoke highly of the achievements ANXIN-CHINA made to Yingcheng Public Security. He also hoped ANXIN-CHINA accelerated the process of ISD system construction, and played a bigger role in plan of “Yingcheng to be a smart city”.
