

Governmental Leaders from Jingmen, Hubei Visited Anxin-China for Investigation and Study

The conference site.

(Shenzhen-Oct. 18th, 2013) Governmental leaders from Jingmen City, Hubei Province, including M. Li Jian as the director of Dongbao District People' s Government Office, Mr. Shao Xuanfeng as the vice-president of Dongbao Economic Development Zone Management Committee, and M. Liu Jingfeng as the deputy director general of Dongbao District China merchants visited Anxin-China for investigation and study.

Accordingly, both Mr. Huang Zhiwei the deputy general manager of marketing center, and Mr. Chen Hao the project manager from Anxin-China received them sincerely, and then hosted conferences.

During the conference, Mr. Huang introduced Anxin-China' s basic conditions and major investment areas to all leaders from Dongbao District, Jingmen City, and then presented the scientific and innovative achievements Anxin-China had attained in safety production surveillance and things-of-internet areas. Here, Mr. Li also stated that he hoped Anxin-China' s leader to go to visit Dongbao district for business cooperation, as Jingmen city had a prior geographical position and convenient traffic to develop the local economy with large openness.

Moreover, Mr. Liu became very fond of Anxin-China' s investment business and operation model, and stated that it was very advantageous for Anxin-China to set up the production base in Dongbao District, because of the industrial development zone as well as favorable tax exemption. And thus the economy development can promote mutual benefits.

The conference proceeded in a friendly hot atmosphere and then three leaders from

Dongbao District Government appreciated Anxin-China' s economic strengthen a lot.

On the other side, Mr. Huang represented Anxin-China to state that this group would pay lots of efforts to promote the industrial structure update of Jingmen City on the basis of increasing mutual benefits.
