

Mayor of Fengcheng City Visted Anxin-China's Headquarter in H.K.

The conference site

(H.K.-Apr. 22nd, 2013) A research group, including Mayor Gaojun of Fengcheng City, Niaoning Province and Director Ji Hongguang of Fengcheng City Foreign Trade & Economic Cooperation Bureau, visited the H.K. headquarter of Anxin-China Holdings Limited for further investigation and study, as well as the business discussion concerning

the Fengcheng ISD project construction. Accordingly, Anxin-China representatives including Liu Zhongkui as the Chairman of board, Lin Supeng as the executive director and Pengxuan as the general-manager of Marketing center, participated in this conference.

Mayor Gao Visited the Anxin-China's Headquarter in H.K.

During the conference , Mayor Gaojun specifically introduced the current conditions of Fengcheng Safety production and other related problems. Besides, both sides had a

deep discussion about the adequate working solutions. While considering about the realistic issues of Fengcheng City, herein, Chairman Liu Zhongkui made a complete explanation about magnificent edges of Anxin-China platform from a series of aspects, for instance, planning, construction, operating, maintaining and etc. Actually, Mayor Gao presented his major concern about the changes which a intelligent ISD system could bring to the whole urban safety production and construction. Thus, Manager Pengxuan briefly analyzed many advantages of Anxin-China smart city construction system and smart city core technologies in details, and simultaneously defined the newly-developed business model of Anxin-China, anyhow, which attained great praises from Mayor Gao because of its highly practical working efficiency.

Soon afterwards , in the leadership of Chairman Liu Zhongkui, Mayor Gao and other members visited the HK headquarter of Anxin-China, which left them with a profound impression in terms of company-scale operation and normalized work. Finally, Mayor Gao said, "it' s a very significantly necessary step to visit Anxin-China, which can contribute much for Fengcheng' s attracting investments in H.K. Today' s meeting is very successful, and I will bring such an amazing ISD system back to Fengcheng City, so that all municipal governmental departments can learn about it. Besides, I sincerely

invite the leaders of Anxin-China to visit Fengcheng City for further investigation and study."
